Our Children's Membership Plan
A great way of maintaining your children's dental care

Our children's membership plan

Our aim is to provide high quality care and treatment in a relaxed, comfortable and safe environment. We are committed to continuing education and keeping up to date with advances in modern dentistry.

Research shows that preventive dentistry delivered on a regular basis greatly reduces the risk of dental disease in children and provides a platform for a lifetime of improved oral health.

Tooth decay is one of the most common preventable diseases and to prevent it requires a commitment of time and effort. With the correct habits there is no reason why your child should not have healthy teeth for life.

Our children's plan focuses on the delivery of preventive dentistry on a regular basis, encouraging good diet and oral health habits in your child's formative years and thereby minimising the need for fillings and extractions.

When you enrol your child into our children's plan you will have the peace of mind that your child's preventive dental care will be covered by convenient

monthly payments. Our plan also provides worldwide Supplementary Insurance for dental emergencies or dental injuries whilst at home or abroad (see overleaf) - essential cover for the rough and tumble of childhood.

YOUR CHILD'S BENEFITS

- the cost of your child's preventive dental care is included
- payment by convenient monthly Direct Debit, allowing you to budget
- discount on treatment fees
- access to a fun and interactive children's dental health website: www.gr8smileclub.com
- access to a 24 hour dental emergency helpline 365 days per year
- worldwide Supplementary Dental Injury and Emergency Insurance (see overleaf).

WHO IS OUR CHILDREN'S MEMBERSHIP PLAN AIMED AT?

Our plan is designed for those parents or guardians who wish their children to participate in a regular preventive care programme and to budget on a monthly basis.

HOW DO YOU ENROL YOUR CHILD ONTO OUR PLAN?

Following your child's new patient examination, all you have to do is complete a registration form for us and a Direct Debit mandate and authorisation form for DPAS on behalf of your child

In addition to your first monthly payment, an initial registration fee of £10 per child will be payable by you to DPAS and will be included in your first Direct Debit payment.

If you choose to cancel your child's plan for any reason you can do so by simply giving us one month's notice.

Given the benefits your child can enjoy as part of our plan, they are committed to our plan for a minimum of 12 months. If you cancel your child's plan within 12 months we will invoice you for any discount you have received.

We respectfully ask as a patient that they endeavour to attend all booked appointments, book all required appointments and respond to reminders/recalls sent from the practice.

WHAT HAPPENS IN AN EMERGENCY?

You will have access to a 24 hour, 365 day worldwide dental helpline, which will endeavour to find an English speaking dentist to assist you.
